# Bhavitha Sri

**AI Engineer • Agentic AI Specialist • Full-Stack Developer**

**8885898057** **github.com/Bhavitha-sri**

## Professional Summary

**Third-year B.Tech Information Technology student passionate about Artificial Intelligence, Agentic AI, Machine Learning, and Full-Stack Development. Experienced in building practical AI and web applications using Python, Flask, Django, ML frameworks, and modern web technologies. Driven to build intelligent systems, AI agents, automation solutions, and real-world technology products.**

## Projects

**TraceFace — AI Face Matching + Public Web Discovery + Blockchain Verification**
**Pipeline: face detection, public web content discovery, face matching, blockchain-based verification.**
**Tech: Python, AI, Face Recognition, Blockchain**

**NASA Exoplanet AI Detector — ML application for analyzing astronomical data and predicting exoplanet candidates.**
**Tech: Python, Flask, Machine Learning, NASA Data**

**Agri-Genius — Voice-based AI farming assistant providing agricultural assistance via AI and voice interaction.**
**Tech: Python, AI, Voice AI, Flask**

**Virtual Communication Lab — Interactive digital communication learning platform as a web application.**
**Tech: Python, Django, HTML, JavaScript**

**Organic E-Commerce Store — Full-stack e-commerce application for an organic products store.**
**Tech: Python, Flask, SQLite, Bootstrap**

**Secure Data Wiping — Security-focused project for secure data deletion and data protection.**
**Tech: Python, Cybersecurity, Data Security**

## Technical Skills

**Programming: Python, Java, JavaScript**
**AI / ML: Machine Learning, Deep Learning, NLP, LLMs, Generative AI, AI Agents**
**Frameworks: Flask, Django, Bootstrap**
**Libraries: Scikit-learn, TensorFlow, PyTorch**
**Web: HTML5, CSS3, JavaScript**
**Databases: MySQL, SQLite**
**Tools: Git, GitHub, VS Code**

## Internships

**Right Tech Solutions, Vijayawada**
**Internship Certificate received**
**DigitalSoft**
**Online Internship Certificate received**

## Education

**B.Tech – Information Technology**
**JNTU-GV, Vizianagaram**
**Expected Graduation: 2028 | CGPA: 8.95**
**Diploma – Computer Science Engineering**
**Vijaya Institute of Technology for Women, Vijayawada**

## Certifications

**Python Full Stack Development Internship Certificate**
**Right Tech Solutions**
**Online Internship Certificate**
**DigitalSoft**
**NPTEL – LLM Certification**
